The **reading material and exercises** can be found [here](#).

This is the last part of Assignment 4. Make sure to submit all of your work in Brightspace (Assignments 4A and 4B) before the deadline.

## Submission Instructions

Create a zip file called `Assignment_4` containing your Haskell files.

**Example.** `Assignment_4.zip`:

- `Set1.hs`
- `Set2a.hs`
- `Set2b.hs`

**Remark.** In case you resubmit your solutions, please make sure to include all files. Only the last submission will be evaluated.
